The Freedom Area School District Board of Education adopted a resolution to proceed with a **\$62.5 million (\$177 per \$100,000 of property value annually)** referendum to be placed on the April 2, 2024, ballot. If approved, the proposed solution, which was guided by multiple community engagement sessions and a community survey, **will address the district's most pressing needs at the middle-high school and create space at the elementary by moving 5th grade.**
