Principal's Corner

As we approach the end of February, it's hard to believe that we are nearing the completion of two-thirds of the school year! Time has flown by, and our students have continued to make amazing progress.

Celebrating Dr. Seuss's Birthday

In March, we will be celebrating Dr. Seuss's birthday, and we invite you to join us in reading his classic, *Oh, the Places You'll Go!* This beloved book, which was the last Dr. Seuss published during his lifetime, offers timeless advice about the journey of life. It encourages readers to embrace life's challenges with joy and kindness, no matter what lies ahead.

One School, One Book

March also marks the beginning of our Annual One School, One Book initiative. This month-long event will be filled with reading excitement as we dive into *Fenway and Hattie* by Victoria J. Coe. We invite all families to join in the fun as we celebrate reading together!

Wisconsin Forward Exam & Aimsweb Assessments

For our students in grades 3, 4, and 5, please take note of the upcoming Wisconsin Forward Exam. This state assessment will take place from March 17 to April 25. We will send home specific grade-level dates and times soon. To ensure the best experience for our students, we kindly ask that you avoid scheduling appointments or vacations during the testing window. We understand that illness can sometimes be unavoidable, and we will work with families to make necessary accommodations.

Additionally, 4K-3rd grade students will participate in the Aimsweb Plus reading assessments during this same testing window. This is similar to the winter window, but with 4K students now included for the first time. We will also be mindful of staggering 3rd-grade testing, as they will be completing both Aimsweb and Forward testing during this period. These assessments are both required by the state, and we appreciate your support in ensuring our students are ready for success.

Third Quarter & Staff Appreciation

As we head into the final weeks of the third quarter, I want to take a moment to recognize our incredible staff. They work tirelessly to ensure our students receive the best possible education, and I am proud to be part of this team. We are also fortunate to have such strong parental support at home. Your partnership is invaluable, and we thank you for your continued dedication to your child's education.

We look forward to an exciting month ahead, and we appreciate all you do to support our school community.

March is Reading Month at Freedom Elementary!

To celebrate, we are reading *Fenway and Hattie* by Victoria J. Coe school-wide. Each week an email will be sent to read along with the staff. We will also have a reading month calendar for each student. As students complete the activities or read the chapters in the book, they can cross off those days. At the end of the month, students who have completed at least 12 activities, should bring their signed calendar back to school to earn a reading month prize!

Summer School

IMPROVEMENTS TO THE SUMMER SCHOOL WEBSITE will be **updated soon!** Please check out the following features when starting to register your child:

1. Printable summer school sports flyers- will be available on the summer school website in the near future
2. All course descriptions will be available for you to view.

Reminders-The session will be three weeks: *June 9 through June 27, 2025*. Online Registrations Window (March 20 - April 11, 2025), final day to pay course fees is **Friday, April 18, 2025**.

If your child is signed up for a course when the registration window closes, you **ARE** responsible for those course fees even if your child does not attend summer school.

Reading Fluency

Fluency is one of the five foundational reading skills. (The other four, as you likely know, are phonological awareness, phonics, vocabulary, and comprehension.) Fluency connects readers not just to words, but to emotions and expressions, characters and connotations. And it's also where reading really starts to foster joy.

When readers develop fluency, they also develop:

- **Comprehension.** As decoding becomes more effortless, readers can focus on understanding meaning. Fluent readers recognize words automatically, allowing them to dedicate cognitive resources to complex sentence structures and connections among ideas. They grasp both main points and nuances. All told, they get what they're reading.
- **Confidence.** Fluent readers are more likely to feel accomplished, proud, and motivated with regards to their reading abilities. And it's a virtuous cycle: As their confidence grows, they're more likely to engage in and enjoy reading – and continue to improve.
- **Vocabulary.** Fluency plays a significant role in vocabulary acquisition and language development. Fluent readers encounter a larger variety of words in context. This exposure enhances their language and communication skills across academic topics and life experiences.
- **Academic success.** Fluency helps students read to learn. As students advance through school, fluency becomes increasingly important for comprehension and analysis of more advanced and content-rich texts.
- **Emotional connection.** Fluency enables readers to connect with the characters, emotions, experiences, and implications in a given text. That's what makes reading immersive and enjoyable – in the moment and for a lifetime.

From the Health Room

We are in need of larger clothes in the health room. If you have any adult large shirts or sweatpants you would like to donate, they would be appreciated. We are also in need of boys clothes size 14 to adult sizes. If your student needed to borrow clothes from the health room, please return them after they have been washed.

Winter Fun in the Snow

Fang's Reading Program

Fang's Reading Program will be wrapping up and the Home Run base is due on March 14th. Just like last year, there will be no individual base prizes, rather a grand slam prize that students pick up at the ballpark when they attend the family night game on Thursday, May 15th at 6:40pm. Teachers have sent information home in January, and tickets can be purchased when the program has been completed. 20% of online ticket sales will be donated back to FES! We hope you are taking part in this fun opportunity to grow your child's reading skills!

Thank you,

The Timber Rattlers Reading Committee

*****Our Spring Concert featuring our 3rd, 4th, and 5th grade musicians will take place on March 18th at 6 pm in the fieldhouse at Freedom High School*******

Code for Music Class Website

Our Irish Best Singers put together a singing telegram project for kindness week and delivered a sweet treat and message of gratitude in song form to over 50 teachers here at FES. Way to spread kindness like confetti IB singers!

News from Student Council

Freedom Elementary Student Council has been working hard the last few months. When the students came back from winter break, Student Council members put together a *School Store*. *School Store* takes place in the cafeteria every Thursday morning before school, selling items useful for students who need a snack, extra pens or pencils, sticky notes, highlighters, etc. All items sold are \$1 or less.

Student Council also organized a concession stand for the Snowball dance, a food drive for the Freedom Food Pantry, and a hat & mitten drive for those in need of some warmth.

Student Council is arranging a new drive for Saving Paws from March 17 through March 21. Please have your child bring dog or cat food, toys, treats, or monetary donations. Posters will be up soon to remind students.

Art Fundraiser

- Art fundraiser packets will be sent home Monday, March 3 with students
- Art fundraiser Orders due with payment back to school by Tuesday, March 11

From the Foodservice Department

Thank you for all the donations to the Angel Fund. The District was able to distribute a portion of the funds to help Freedom families! Over the past few months we have been having "Taste Test Tuesday". These days give the students an opportunity to try a new menu item that they will see on a future menu. These have been received quite nicely and the students are excited to try them. Unfortunately, with March being a short month, we will resume taste test Tuesdays in April with a fun new menu idea! We look forward to your student trying something new!

FAMILY BAKE OFF

The PAC's Family Bake Off will be happening soon – flyers will go home with students the second week in March. The bake off is a great way to come together as a family, get creative, have some fun and do something baking! If you are not going anywhere for Spring Break, this is a fun activity to do then! Judging will be based on Creativity, Theme-based, 'I did it myself'. There will be 3 winners in each of these categories as well as an Overall Winner.

HOW IT WORKS:

- 1) Pick a theme based on a favorite book
- 2) Bake an item (cake, cookie, rice Krispie, etc.) as a family to show this theme. The cooking, designing and decorating is up to your family- plan and create when it works for you! Have fun decorating---adding extra decorations or dressing up to fit the book theme encouraged!
- 3) Submit a picture of your family's cake including family name by Friday, April 4 to freedompac1@gmail.com. Please include your child's name and grade to help us notify the winners as well as the book you based your creation on. If you do not want the picture/name on the PAC Facebook page, please state that in your email.

STOCK THE LOUNGE – Fourth Grade

Thank you to all parents who helped us stock the lounge this school year! The FES Staff really enjoyed all the snacks and drinks you provided! For the month March, we are asking all fourth grade parents to please consider dropping off snacks/drinks to help us stock the lounge for FES staff! Each month we will be asking a different grade to help with this. Just a reminder that snacks need to be "nut free". We hope to get a mixture of healthy and sweet/salty treats. Ideas for drinks: soda, flavor or carbonated water, Bubbl'r', etc.
