Principal's Corner

As I compose the April newsletter, it is raining outside. Wow, what a crazy winter. We have enjoyed some warmth throughout March. Just a reminder that as we move into April, there may still be days where our students need to wear coats and boots. Plus, they may even need to wear hats and mittens. Please watch the weather and continue to send them.

I would like to thank Mrs. Touchet again for an amazing concert for our 3-5 students! There is a ton of work that goes into the preparation of a concert. Plus, the new location added a whole new list of challenges. Thankfully, it really went well and the feedback has been extremely positive.

Please note that on March 25- 30, we do not have school for Easter break. April also begins our state testing at the elementary school. Students in grades 3, 4, 5 will be taking the Wisconsin Forward Exam starting in April. The testing window for the Wisconsin Forward Exam can be found in the newsletter. Plus, we have also sent home a pamphlet with each grade level's specific testing dates for each 3, 4, and 5 grades.

I will not be sending out any placement forms regarding next year. However, if your child would be more successful separated from another student, please let me know in writing by April 8. We will do our best to consider your request.

Finally, I would like to recognize and thank all of our students for their hard work and great effort they devote to learning daily. I can't say "thanks" enough for sending us your wonderful children that give it their best everyday in school.
