## Principal's Corner

It is hard to believe that the second semester is in full swing. I have been so impressed by our incredible achievements our students have made throughout the first semester of school. Reports cards came home on January 25<sup>th</sup> to parents. If you have any questions or concerns, please don't hesitate to contact your child's teacher. Please continue to read with your child or continue to encourage your child to be reading at home every night.

Thank you for your continued effort and contributions to your child's education. Just a reminder to send your child(ren) with their winter attire for recess. Students need to wear boots and snowpants to leave the blacktop.

## Parent/Teacher Conferences

Parent/Teacher Conferences are scheduled for Wednesday, February 22 from 3:30-8:00 pm. Conferences will be scheduled through the Skyward online Student Management Program. Families will no longer receive a paper copy of the scheduled conference times. Each family will have to schedule their own conferences through Skyward, for each child. If you have more than one child at Freedom Elementary School, each child will have to be scheduled separately. The Skyward scheduling window will be opened February 7-20.

Parents will receive information on how to obtain their Student Access account on Wednesday, February 1. If you do not have computer access, please call your child's teacher at 788-7950.

## Summer School

Summer school in the Freedom School District is just around the corner and it is time to start thinking about options for your child. Summer school is an opportunity to continue the educational process and keep your child connected to learning over the summer months. The Freedom Area School District will be offering Summer School 2017, at Freedom Elementary School, for elementary and middle school students, in one session. The session will be five weeks: *June 12 through July 13, 2017*. There is no school on July 3 & 4. You will soon be receiving information regarding something new in Freedom; Online registration for summer school 2017! I have been working with the administrative team, summer school staff and the technology coordinators in our district to build and launch this new and exciting registration process. You can mark your calendars with the following dates: Online Registrations Window (March 14-March 31, 2017), Final day to pay course fees (April 13, 2017). We are excited to offer this new registration process that will utilize the convenience of modern technology.

## Drop Off Reminder

Please remember to park your car and a parent needs to **walk** his/her child on the marked cross walk across to the front doors of the school every morning regardless of the time. This procedure is for the safety of our students!
