Please share and promote this information with your students in Core 1. This is an opportunity for student leadership and I am looking for representation from each grade level.

If you are the teacher issuing the form, your signature must accompany the completed nomination form before the student will be eligible to serve in this capacity. The student elected will spend time promoting MAPSS sponsored events and bring opinions voiced in the middle school to the monthly meetings.

If you could take time during core 1 when time permits, I would appreciate you making these nomination forms available to interested students. Please do not give a form to each student in your class, only those that express a sincere interest in getting involved.
