The **Barnes & Noble Summer Reading Program** offers kids a FREE BOOK when they read 8 participating book titles.

Here's How It Works:

1. Kids read any eight (8) books of their own choosing.
2. Kids write about their favorite part using the **Summer Reading Journal**.
3. Children bring their completed Reading Journal to a Barnes & Noble store
4. They'll get a coupon for a FREE book! They choose from a list of exceptional paperback titles.*
