Kids Love The Taste of Sunbutter® And It's A USDA Approved Commodity!

Creamy SunButter® tastes great, has 1/3 less saturated fat* and 0% trans fatty acid!

*Compared to typical peanut butter

1.1 oz = 2 Tbsp = 1 meat/meat alternate

Now you have a choice when you want to serve peanut butter on a sandwich or in a recipe. You can choose great tasting **Creamy SunButter®** made from sunflower seed with no hydrogenated oil and 0% trans fatty acid. Kids love the taste and you don't have to worry about adverse peanut reactions.

SunButter® is a subsidiary of Red River Commodities, a processor of sunflower seed for the snack and bakery industries for more than twenty years. Our processing plant in Fargo, North Dakota is a peanut-free plant and products are tested on a regular basis. We grind specially selected and roasted sunflower seed into a nutritionally packed spread that is a direct peanut butter replacement; allowing for a great tasting, peanut-free and tree nut-free food.

Not only is **Creamy SunButter®** great tasting, it's healthy for you and it has 20% less sodium than peanut butter! It's packed with nutrition, including a full 27% of the adult requirement for Vitamin E, 8% of iron, double the fiber of peanut butter with the same level of protein, making Creamy SunButter® great food for an active, healthy lifestyle.

ALLERGEN STATEMENT: SunButter® is produced in a peanut and tree nut free facility. It is also dairy, egg and gluten free! SunButter® is processed in a facility that also processes soybeans.
