## Principal's Corner

As we move into the fourth quarter of the school year, we want to remind you to continue staying engaged in your child's learning. It's hard to believe how quickly time has passed, but we are excited to see the progress our students have made so far! Thank you for your continued partnership and dedication to your child's education!

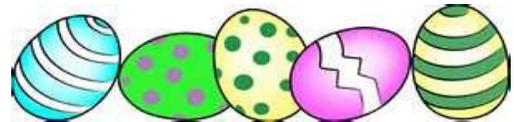

### Spring Weather Reminder

As we move into April, please keep in mind that while the weather may start to warm up, there will still be chilly days. We ask that you continue to send your child to school with their coats, hats, boots, and mittens, as we may still need them. Please monitor the weather and be prepared as we transition into spring!

### State Testing Update

Students in grades 3, 4, and 5 will be completing the Forward Assessment. Homeroom teachers will send home specific testing schedules with students. On testing days, we encourage you to ensure your child gets a good night's sleep and a healthy breakfast to help them perform their best. The state testing will conclude by the end of April.

As we enter this next phase of the year, it's a great time to check in with your child about their goals and progress. Encourage them to stay focused and continue doing their best, especially on their upcoming assessments. Your support plays a crucial role in their success, and together, we can ensure that they finish the year strong.

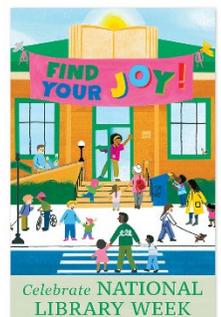

## Thank you from Freedom Food Pantry

Freedom Food Pantry really appreciates the way the Freedom Elementary School refuses to let Dr Seuss' birthday go by without recognition. Thank you all for celebrating it with your food collection with the wide variety of items donated. It helps us distribute many extras. We are truly grateful.

## National Library Week--April 19-25

The theme for National Library Week 2026, "Find Your Joy". It is an invitation for people of all backgrounds to explore and discover what sparks joy in them at the library.

## Tornado Awareness Week

The statewide tornado drill is on **Thursday, April 16**. See the enclosed Tornado and Tornado Safety Checklist. The National Weather Service and the Wisconsin Emergency Management sponsor this weather event.

## Summer School Registration begins April 7, 2026

Summer school registration opens on April 7 at 4:00pm and it closes at 8:00am on Friday, April 24. Final payments for courses must be made by Friday, May 1.

All course booklets can be found on our district website. Please note, your child will be required to attend the course(s) they sign up for. Students won't be allowed to switch courses once summer school is in session.

## Battle of the Books Announcement

Freedom Elementary School is excited to share that we had 32 participants in this year's Battle of the Books. Battle of the Books is a statewide reading competition where students read 20 books of various genres. Battle of the Books (BOB) was open to all students in 4th and 5th grade at Freedom Elementary. This rigorous reading competition encourages students in grades fourth through sixth to read all 20 books over the course of several months. Battle of the Books provides students with the opportunity to read quality literature on a variety of topics and themes and then to be active participants in discussions on the books they have read. During the final state competition, students worked as a team to answer questions pertaining to all 20 of the books they read.

The top four finalists, Amelia, Kennedy, Lillian, Annabelle with Olivia as the alternate competed in the statewide competition on February 24. We celebrated the students' commitment with a final Pizza Party.

## Important Reminders from the Nurse

**ALL** medication needs to be picked up by a parent/guardian at the end of the school year. If your student attends summer school, inhalers and other emergency medications can stay through summer school. Per school medication procedure: If the medication is not picked up within two weeks after school is out or the medication is discontinued, the medication will be properly discarded.

All health plans and/or doctor letters need to be updated prior to every school year. If indicated, these will be mailed home over the summer. They can also be found on the school's website <https://www.freedomschools.k12.wi.us/district/health-forms.cfm>. Please have them completed and returned prior to the beginning of the school year.

Wisconsin state law requires students in schools (kindergarten through 12th grade) to meet minimum immunization requirements. If your child has received any new vaccinations, please provide the school with an updated vaccination record. If you wish to waive vaccinations, there is a portion on the form to complete and sign before returning it to school. The current requirements can be found here (subject to change): <https://www.dhs.wisconsin.gov/publications/p44021.pdf>. Immunization forms are also found on the schools website <https://www.freedomschools.k12.wi.us/district/health-forms.cfm>

### Clothes donations needed:

We are in need of boys size 4T, 5T, 6T, 7/8, 10/12 and 14/16 pants, size 6 underwear and large socks men's size 6-10. We are in need of girls size 4T, 5T, 6T, 7/8, 10/12 and 14/16 pants, size 6 underwear, and large socks women's size 6-10. If your child borrows clothes, please wash them and return. Thank you.

## Fang's Reading Program

Thank you for another great year of participation in Fang's Reading Program. Students who completed the program and turned in all four bases will receive a ticket voucher for the Family Game Night on Thursday, May 14th at 6:40pm. If you are unable to attend the family night game, you can use the Reading Club Ticket for any April/May 2026 game (excluding Opening Day and weekday day games) at the same value, or you could still use it as a grass seat ticket for the remainder of the season. Thank you.

The Timber Rattlers Reading Committee

# Science of Reading Summer Strategies

\*Prioritize Decodable Texts: For emerging readers, use book books that align with phonics skills they have already learned to build confidence and reinforce decoding.

\*Build Phonological Awareness: Practice segmenting and blending sounds in words during daily activities.

\*Encourage Rereading: Re-reading favorite books helps children build fluency, speed, and confidence.

\*Read Aloud Regularly: Read to children even after they can read independently to expose them to complex stories, expand vocabulary, and foster comprehension.

\*Focus on Motivation & Choice: Let children choose their own books to increase engagement, including graphic novels or series.

\*Create a Reading Routine: Set up a comfortable, distraction-free “reading nook” and consider a weekly “no-screen” reading night.

\*Use Audiobooks: Utilize audiobooks during travel to build language comprehension and listening skills.

\*Utilize Library Resources: Sign up for local library summer programs, which provide free access to books and foster a love for reading.

## News from the Music Room

On March 21st, our very own Irish Best Singers represented our school at the Green Bay Blizzard’s game singing the national anthem. (see picture below) Look forward to seeing these singers again at our annual art show and fifth grade promotion.

Our second grade musicians have been completing our big unit on the instruments of the orchestra, and Mr. Gajeski, also known as Mr. Bacon, came over with guest musicians from the High School. A highlight for all of us.

Following spring break, second graders will begin the create your own instrument project. Keep your eye out for the letter sent home for Ideas of supplies you can donate to the cause.

### 4th & 5th grade families:

If your student has been selected to participate in the talent show, we look forward to seeing you the evening of April 30th in the FES gymnasium. Support your student at home by having them perform for you. Having an audience makes all the difference. Do not hesitate to reach out for any resources you may need to help support your child in this exciting once a year event.

Recess fun in the snow!

# PAC (Parent Activity Committee) News

## FAMILY BAKE OFF

The PAC's Family Bake Off is happening now! The bake off is a great way to come together as a family, get creative, have some fun and do something baking! If you are not going anywhere for Spring Break, this is a fun activity to do then! Judging will be based on Creativity, Theme-based, 'I did it myself'. There will be 3 winners in each of these categories as well as an Overall Winner.

## HOW IT WORKS:

- 1) Pick a theme based on a favorite book
- 2) Bake an item (cake, cookie, rice Krispie, etc.) as a family to show this theme. The cooking, designing and decorating is up to your family- plan and create when it works for you! Have fun decorating---adding extra decorations or dressing up to fit the book theme encouraged!
- 3) Submit a picture of your family's cake including family name by Monday, April 6 to [freedompac1@gmail.com](mailto:freedompac1@gmail.com). Please include your child's name and grade to help us notify the winners as well as the book you based your creation on. If you do not want the picture/name on the PAC Facebook page, please state that in your email.

## FREEDOM SPIRITWEAR FUNDRAISER

Since our Spirit Wear is still a hot commodity at Kenny Rose Boutique, we have decided to extend our sale until the end of Spring Break. Please click on the link below to check out everything we are offering this year!

## AFTERNOON AT ASHWAUBENON BOWLING ALLEY

Join the PAC for a fun afternoon of bowling at Ashwaubenon Bowling Alley on the early release day, Friday April 24th from 1:00-3:00 PM. A flyer and signup sheet will be sent home with your student(s) the beginning of April. The fee is \$10 per bowler and spaces are limited. We hope you can join us for a fun afternoon.

## STAFF/TEACHER APPRECIATION WEEK

This month, FES students will receive a shamrock to recognize their favorite teachers/staff members and why they "(sham)rock!". Have your student(s) follow the instructions on the sheet and return the shamrock(s) back to school by Friday, April 24<sup>th</sup>. You can submit as many as shamrocks as you want. This will be part of the Staff/Teacher appreciation week May 4<sup>th</sup> to May 8<sup>th</sup>.

## SHOUT OUTS

Thank you for sending in Shout Outs! The staff loves to hear all the positive comments. There is no limit to the amount you can submit. Please use the following link - <https://forms.gle/KktNeeGX22kCYaqo6> to send a Shout Out for a staff member that is doing an amazing job. For each shout out entry, staff members are put into a drawing to win some prizes!

## STOCK THE LOUNGE - FIFTH GRADE

For the month of April, we are asking all fifth grade parents to please consider dropping off snacks and drinks to help us stock the lounge for FES staff. Each month we ask a different grade to help with this.

Just a reminder that snacks need to be "nut free". We hope to get a mixture of healthy and sweet/salty treats. Ideas for drinks are flavor or carbonated water, Bubbl'r', soda, etc. Thank you to all parents who helped us stock the lounge this school year! The FES Staff really enjoyed all the snacks and drinks you provided!

## NEXT MEETING

The PAC will be on Monday, April 20<sup>th</sup> at 5:30 in Staff Lounge. Babysitting will be available.

## BUZZ'S PAC NIGHT

Did you know, on the 3rd Monday of each month is PAC night at Buzz's. On these nights, head to Buzz's with the family for a great meal and they will donate a portion of food sales to the PAC.

# TORNADO SAFETY

**Tornado Watch** - Tornadoes are possible in the area you live in. Listen to the radio or watch the television for updates. Be prepared to move to safety.

**Tornado Warning** - A tornado has either been spotted by Doppler radar or one is on the ground. You should find shelter immediately!

## During a Tornado -

- Go to a basement
- If there is no basement, go to a room in the center of the building, on the lowest floor, with no windows. (A bathroom or closet if possible.)
- Get under the sturdiest piece of furniture if you can.
- If you are in a mobile home, GET OUT! (There is little protection there.)
- Do NOT try to outrun a tornado in a car. It is safer to get out of it and leave it to seek shelter.
- If you are outside, go to a low lying area, like a ditch, and lie down flat.
- Do NOT go near fallen power lines or damaged areas from the tornado.

# Be Red Cross Ready

## Tornado Safety Checklist

A tornado is a violently rotating column of air extending from the base of a thunderstorm down to the ground. Tornado intensities are classified on the Fujita Scale with ratings between F0 (weakest) to F5 (strongest). They are capable of completely destroying well-made structures, uprooting trees and hurling objects through the air like deadly missiles. Although severe tornadoes are more common in the Plains States, tornadoes have been reported in every state.

### Remain indoors

#### Tornado Watch

Tornadoes are possible in and near the watch area. Review and discuss your emergency plans, and check supplies and your safe room. Be ready to act quickly if a warning is issued or you suspect a tornado is approaching. Acting early helps to save lives!

#### Tornado Warning

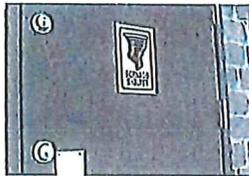

A tornado has been sighted or indicated by weather radar. Tornado warnings indicate imminent danger to life and property. Go immediately underground to a basement, storm cellar or an interior room (closet, hallway or bathroom).

### What should I do to prepare for a tornado?

- During any storm, listen to local news or a NOAA Weather Radio to stay informed about watches and warnings.
- Know your community's warning system. Communities have different ways of warning residents about tornadoes, with many having sirens intended for outdoor warning purposes.
- Pick a safe room in your home where household members and pets may gather during a tornado. This should be a basement, storm cellar or an interior room on the lowest floor with no windows.
- Practice periodic tornado drills so that everyone knows what to do if a tornado is approaching.
- Consider having your safe room reinforced. Plans for reinforcing an interior room to provide better protection can be found on the FEMA Web site at <http://www.fema.gov/plan/prevent/xms/xmsp453.shtm>.
- Prepare for high winds by removing diseased and damaged limbs from trees.
- Move or secure lawn furniture, trash cans, hanging plants or anything else that can be picked up by the wind and become a projectile.
- Watch for tornado danger signs:
  - Dark, often greenish clouds—a phenomenon caused by hail
  - Wall cloud—an isolated lowering of the base of a thunderstorm
  - Cloud of debris
  - Large hail
  - Funnel cloud—a visible rotating extension of the cloud base
  - Roaring noise

### What should I do if a tornado is threatening?

- The safest place to be is an underground shelter, basement or safe room.
- If no underground shelter or safe room is available, a small, windowless interior room or hallway on the lowest level of a sturdy building is the safest alternative.
  - Mobile homes are not safe during tornadoes or other severe winds.
  - Do not seek shelter in a hallway or bathroom of a mobile home.
  - If you have access to a sturdy shelter or a vehicle, abandon your mobile home immediately.
  - Go to the nearest sturdy building or shelter immediately, using your seat belt if driving.
  - Do not wait until you see the tornado.
- If you are caught outdoors, seek shelter in a basement, shelter or sturdy building. If you cannot quickly walk to a shelter:
  - Immediately get into a vehicle, buckle your seat belt and try to drive to the closest sturdy shelter.
  - If flying debris occurs while you are driving, pull over and park. Now you have the following options as a last resort:
    - Stay in the car with the seat belt on. Put your head down below the windows, covering with your hands and a blanket if possible.
    - If you can safely get noticeably lower than the level of the roadway, exit your car and lie in that area, covering your head with your hands.
  - Your choice should be driven by your specific circumstances.

### What do I do after a tornado?

- Continue listening to local news or a NOAA Weather Radio for updated information and instructions.
- If you are away from home, return only when authorities say it is safe to do so.
- Wear long pants, a long-sleeved shirt and sturdy shoes when examining your walls, doors, staircases and windows for damage.
- Watch out for fallen power lines or broken gas lines and report them to the utility company immediately.
- Stay out of damaged buildings.
- Use battery-powered flashlights when examining buildings—do NOT use candles.
- If you smell gas or hear a blowing or hissing noise, open a window and get everyone out of the building quickly and call the gas company or fire department.
- Take pictures of damage, both of the building and its contents, for insurance claims.
- Use the telephone only for emergency calls.
- Keep all of your animals under your direct control.
- Clean up spilled medications, bleaches, gasoline or other flammable liquids that could become a fire hazard.
- Check for injuries. If you are trained, provide first aid to persons in need until emergency responders arrive.

### Let Your Family Know You're Safe

If your community experiences a tornado, or any disaster, register on the American Red Cross Safe and Well Web site available through [RedCross.org](http://RedCross.org) to let your family and friends know about your welfare. If you don't have Internet access, call 1-866-868-7243 to register yourself and your family.

## 2026 Freedom Irish Flag Football Program

Freedom Flag Football is a program dedicated to providing a great experience playing football for youth in the Freedom Area. Games are played on Saturdays in the fall at the VFW Memorial Park. There are three divisions:

- Kingergarten-1st Grade - coached by parent volunteers
- 2nd-3rd Grade - coached by parent volunteers
- 4th-5th Grade - coached by High School Players

The league is operated by the Freedom Football Club and managed by the Varsity Head Coach and high school staff. High School Players take an active role in coaching players in the older division as well as officiating all games. Many volunteers from the Freedom Community help with coaching, field setup and other activities.

De conformidad con la ley federal de derechos civiles y las normas y políticas de derechos civiles del Departamento de Agricultura de los Estados Unidos (USDA), el USDA, sus agencias, oficinas y empleados, así como las instituciones que participan en los programas del USDA o los administran, tienen prohibido discriminar por motivos de raza, color, origen nacional, religión, sexo, discapacidad, edad, estado civil, situación familiar o parental, ingresos provenientes de programas de asistencia pública, creencias políticas o represalias por actividades previas relacionadas con los derechos civiles, en cualquier programa o actividad realizada o financiada por el USDA (no todos los motivos se aplican a todos los programas). Los recursos y los plazos para presentar quejas varían según el programa o el incidente.

Las personas con discapacidad que requieran medios alternativos de comunicación para obtener información sobre el programa (por ejemplo, Braille, letra grande, audiocinta, lenguaje de señas americano, etc.) deben comunicarse con la agencia estatal o local que administra el programa o con el USDA a través del Servicio de Retransmisión de Telecomunicaciones al 711 (voz y TTY). Además, la información del programa puede estar disponible en otros idiomas además del inglés.
