BUS RULES

Dear Parents and Students:

It is the responsibility of the Freedom Area School District to transport approximately 1,600 students to and from school each day. This task must be accomplished in the safest and best way possible.

The School Board has hired Lamers Bus Lines, Inc. to provide this service for the district. Parents and students must realize that the school bus is an extension of the classroom. The bus driver, as the teacher in the classroom, has the responsibility for the safety and welfare of the students while under his/her charge. Disruptive riders endanger the safety of the entire bus.

This booklet contains bus rules which are to be followed while loading, during transportation, and unloading. Parents and students must assume that school bus transportation is a privilege to the student, and not a right. When a problem arises from misconduct, the student will be reported to the school principal, who will take prompt and appropriate action. Depending on the severity of the problem, the student's riding privilege may be revoked. Parents will be notified and it becomes the responsibility of parents to provide transportation for their child until the time of reinstatement.

While the law requires the school district to furnish transportation, it does not relieve parents from the responsibility of supervision until such time as the child boards the bus in the morning and after the child leaves the bus at the end of the day. Once a child boards the bus, and only at this time, does he/she become the responsibility of the school district. Responsibility ends when the child is delivered to the bus stop at the close of the school day.

Parents, if you have a bussing problem or concern, please first call Lamers Bus Lines, Inc. Freedom Terminal and ask for **Tabby at 687-2671**. If your problem is not solved, then call your school principal.

Prompt and appropriate action will be taken.

Please discuss these materials with your children. If all of us cooperate, we can make the ride on the bus a safe and pleasant experience.

Building The Future One Student At A Time

BEFORE BOARDING THE BUS:

1. Please be at your designated stop 5 minutes prior to the busses scheduled arrival time to help maintain a consistent schedule and for safety reasons. Students should not have to run to catch the bus. The bus will not wait for any students. It will come to a full stop at the pick up point, and if the student is not in sight, the bus will immediately proceed. If the student is not at the pick up point for three consecutive days, the bus will not stop again until Lamers is notified.
2. Students are to conduct themselves in a safe manner while waiting for the bus. Students should not be playing in the road while waiting for the bus.
3. Do not move toward the bus until it comes to a complete stop. Line up in an orderly manner. There should be no pushing, take your time for safety's sake.
4. In boarding while the bus is on the road, check to be sure no traffic is approaching, wait for a signal from the bus driver, and cross at least ten feet in front of the bus.

Students are responsible for these items at all times. Do not bring any toys or rain umbrellas on the bus. No articles are to be left alone in a seat. If personal items become a problem, they will be confiscated.

5. Once you are across the road, do not come back to the bus.

STEPS IN STUDENT CONTROL ON THE BUS:

Step 1 Verbal Warning - The driver will first attempt to talk with the student individually whenever possible to resolve the problem.

Step 2 Punishment or Assigned Seat - If talking with the student proves ineffective, the student may be assigned to a specific seat for a period of time, and/or asked to write a punishment.

Step 3 Written Up - If step 1 and 2 have been tried and are not successful, and the problem continues, the child will be reported to the principal with a **SCHOOL BUS INCIDENT REPORT TO PARENTS**.

- 1st time - Warning box checked
- 2nd time - 1st offense box checked
- 3rd time - 2nd offense box checked
- 4th time - 3rd offense box checked (which leads to suspension)

The bus report is written by the driver, turned in to the Principal who then disciplines the student and sends a copy of the report to the parents. This process could take two to five days.

***For serious infractions, steps 1, 2, and 3 can be eliminated and the Principal will decide on suspension.**

BUS ROUTES:

Bus routes are generally confined to State roads, County roads and Town roads. Buses will not travel on dead end roads or cul de sacs that do not have sufficient area for the bus to safely turn around without performing a backing maneuver. Generally, students residing on State, County and Town through roads will be picked up at the intersection of their driveway and the road. In residential neighborhoods student stops may be consolidated into a centrally located "Cluster Stop", this may be a group stop at a particular student's driveway or at a nearby corner. These "Cluster Stops" will be determined by Lamers with Freedom Area School District approval.

The distance to walk to a pick up point generally shall not exceed 1/8 mile for preschool-kindergarten students, and 1/4 mile for older students. However, safety of operation may dictate pick up points that exceed this guideline. Schedules are made to pick up students and arrive at school before the start of the first class, but no earlier than 25 minutes before the start of classes.

GENERAL GUIDELINES:

1. Only transfer students are allowed to get off the bus at the high school to board their assigned bus unless student has written permission SIGNED BY THE PRINCIPAL.
2. Notification In Case of Inclement Weather: school officials and Lamers use weather reports from the Highway Dept. and Sheriff's Dept., the National Weather Service and the local road spotters in making a decision to cancel school. Parents are asked to not call Lamers, school, or bus drivers. Please listen to local radio and TV stations. Buses will travel on plowed roads only.
