Principal's Corner

A November Message from the Principal

As we welcome November, we are reminded of the importance of slowing down, appreciating the little things, and recognizing the many blessings in our lives. With Thanksgiving approaching, it is a wonderful time to reflect on the people who make our lives brighter and the moments that bring us joy.

As you spend time together this month, I encourage you to take a moment to connect with your child and remind them how special they are. The laughter, love, and unique personalities our children bring into our lives are gifts worth celebrating every day.

At Freedom Elementary, we are especially thankful for our wonderful families and the partnership we share in supporting our students. Our parent-teacher conferences in early November are an important opportunity to celebrate student growth, share progress, and work together to ensure every child continues to learn and thrive. Thank you for making the time to be involved and for being an important part of our Irish family!

A quick reminder that report cards are issued at the end of each semester. Families will receive an email notification when report cards are available in January and May.

We would also like to extend a heartfelt thank-you to our many families for generously providing snacks and drinks for our staff lounge in October. We are equally grateful to our PAC and the many families who signed up to provide meals for our staff during parent/teacher conferences.

Thank you for all you do to support our students, staff, and school. Wishing you and your family a November filled with gratitude, meaningful connections, and special moments together!

Inclement Weather

Listen to the radio or TV stations listed in your Student/Parent Handbook, on page 28, for school delays and school closings beginning at 6:30 a.m. The office has alternative plans for all families whether students ride the bus or are picked up by a parent. If your plan changes or you have new information, please contact the school office. A reminder with colder weather starting, students need jackets, mittens and a hat. Boots are optional until we get snow.

Girls on the Run

Our amazing Freedom Girls on the Run team, made up of 3rd through 5th grade girls, ran their practice 5K Pumpkin Run on Thursday October 29. They did such a fabulous job! The girls are training for their end of season 5K with all Girls on the Run Teams in Northeast Wisconsin on Saturday, November 7. Great job so far girls and keep working hard!

From the Health Room

All medicine needs to be brought to the health office by a parent/guardian. This includes prescription medication, inhalers, over-the-counter medicine, cough drops, etc. They need to come in the manufacturer's package and the package must list the ingredients and recommended therapeutic dose in a legible format.

All medication forms, health plans, and the medication policy can be found on the Freedom School District Website at <https://www.freedomschools.k12.wi.us/district/health-forms.cfm>

Birthday and Classroom Celebration Treats

Families will have the option to purchase approved baked goods through FES Food Service for student birthdays and classroom celebrations. To ensure we are following food safety guidelines, **we will not accept baked goods brought in from outside our food service program.** Here is the link: <https://forms.gle/KG3wiqJd7W6LHp5s6> for ordering for birthdays or classroom treats. Please allow **five (5) school days to order.** Families are still welcome to send **non-baked-goods** items for classroom celebrations, as appropriate.

Freedom Elementary Hat and Mitten Drive

The week of November 9-13, Freedom Elementary School will be collecting hats and mittens to give to the Freedom Area Food Bank. Please make sure the hats and mittens are in new condition. We will have a drop box for the hats/mittens in the lobby of the elementary school. Thank you so much for your support in this project!

From Ms. Vanderloop in the Music Room

Hello FES families!!

Code for Music Class Website

The concert times for our upcoming performances are posted on the Music Class website.

This website is also updated with pictures and recordings from the music room throughout the school year from each grade level. Your student can check out the "Practice Room" for links to online music resources too! Scan the QR code below to access the information directly:

Here is a brief summary of what we've been learning about in the music room here at FES as well as a few sneak peeks at things we are looking forward to in November.

- **Families of 4th & 5th grade students:** Please keep an eye out for an informational flyer/permission slip for FES Irish Best Singers. By joining this group, the students are given opportunities each month to perform as an outreach ensemble by sharing music in our community. Read the flyer with your student to learn more and if they would like to contribute, both parent and student sign. This form will be due back to Ms. Vanderloop by Wednesday, October 28, the day of our 1st rehearsal. Rehearsals take place **every Thursday during lunch recess & after school on Wednesdays 3:00-4:15 once a month** (full calendar and google classroom will be shared with students joining at the 1st rehearsal). Please reach out directly to avanderloop@freedomschools.k12.wi.us with any questions.
- **Families of 2nd grade students:** Each class has created their own spooky compositions using the meter of the waltz 6/8 and playing our Orff instruments. They collaborated to make an illustrated book of their compositions and the class recordings will be posted on the music room website. Make sure to check them out there OR have your student sing their class composition to you on the ride home from school.
- **Families of Kindergarten and 1st grade students:** Check out one of our new favorite seasonal songs to dance to, "Halloween LoobyLoo" on the website.. It's so fun...it's almost Spooky! Let your child teach you how it's done!!
- **K-2 Holiday concert resource page with SEL at-home resources designed to support your child in enjoying and shining in their performance can be found on the Music website as well.**

Parents with High Expectations Reading Fluency Matters

In order to be a good reader, your child must be able to do two things:

- 1) make sense of, or “decode,” the words on the page; and,
- 2) understand what the words mean when joined in a sentence.

Early reading instruction focuses on teaching a child how to read single words, but being good at reading single words is not the only skill your child needs. Once your child has become good at decoding and reading single words, he or she needs to learn to read easily, becoming an effective reader.

Good readers have moved beyond decoding single words well. They can understand what they are reading. This is the ultimate goal for reading.

- Good readers read quickly and accurately.
- They can read with expression.
- They tend to separate sentences into groups of words based on the meaning.
- They also tend to read many individual words automatically.

It is hard to understand what you are reading when you are not a good reader. Researchers believe that everyone has a limited ability to pay attention when learning a new task. So, if your child needs to use a lot of attention to decode or read single words, there is little left over to use for understanding what he or she has read. Once decoding or reading single words becomes automatic, attention can then be turned to meaning. Good readers can begin to enjoy the meaning of what they read. They can move beyond learning to read. Then can now read to learn.

Proyecto de Padres con Altas Expectativas

Reading Fluency Matters La fluidez en la lectura es importante

(Promising Practices: Helping Your Child Read and Understand - Spanish)

Para poder ser un buen lector, su hijo debe tener la habilidad de hacer dos cosas:

- 1) Hacer sentido o “descifrar” las palabras en una página y,
- 2) entender el significado de las palabras cuando están unidas en una frase

La instrucción de lectura temprana se enfoca en enseñar a un niño cómo leer palabras individuales. Pero ser bueno para leer palabras solas no es la única destreza que su niño necesita. Una vez que su hijo se ha hecho bueno para descifrar palabras solas, él o ella necesitan aprender a leer con facilidad, convirtiéndose en un lector eficaz.

Los buenos lectores han ido más allá de poder decodificar bien palabras individuales. Ellos pueden comprender lo que están leyendo y esto es la meta fundamental de poder leer.

- Los buenos lectores leen rápidamente y con precisión.
- Ellos pueden leer con expresión.
- Ellos tienden a separar las oraciones en grupos de palabras basadas en su significado.
- Ellos también tienden a leer muchas palabras individuales automáticamente.

Es difícil entender qué es lo que se está leyendo cuando no se es un lector con fluidez. Los investigadores creen que todo mundo tiene una habilidad limitada para prestar atención cuando se está aprendiendo una tarea nueva. Así que si su hijo necesita usar mucha atención para decodificar palabras individuales, le sobra muy poca atención para comprender lo que está leyendo. Una vez que la decodificación se ha hecho automática, la atención puede entonces enfocarse en la comprensión del significado. Los niños que leen con fluidez pueden empezar a disfrutar el significado de lo que leen. Ellos pueden pasar de aprender a leer a leer para aprender.
