

Dear Parents/Guardians,

The Freedom Area School District in collaboration with the Heart of the Valley Chamber of Commerce, along with other area educational institutions, is excited to offer our Freedom Middle School students and parents an opportunity to participate in the **Future Ready: Career Paths for Middle School Students** Program.

This event will help you have a better understanding of the ACP (Academic & Career Planning) process, how our business community can connect with our students (INSPIRE), and what the workforce will look like for your middle school child in the years to come. We invite all of our FMS students and parents to join us as we work together to present you with important information regarding your child's future.

Please set aside the evening of November 1, 2018, to join us at Fox Valley Technical College's (FVTC's) Bordini Center (5 N. Systems Drive, Appleton) from 6:00 - 7:30 PM. There is NO COST to attend this very informative event.

Free transportation will also be provided by the Freedom Area School District for Freedom Middle School parents and students. Buses will depart FMS at 5:30 PM and return after the program around 8:00 PM. If you would like to take a bus to the event, you NEED to contact Debbie Reiter at 788-7945 or [dreiter@freedomschools.k12.wi.us](mailto:dreiter@freedomschools.k12.wi.us).

Please click on the following link to register for the event:

We hope to see all of our FMS students and parents at this wonderful event.

Respectfully,

Ken Fisher  
FMS Principal
