

Dear Parents and Staff,

This letter is to notify you that we have received confirmation today that one (1) individual has tested positive for COVID-19 at Freedom Elementary School. Contact tracing has been completed.

Again, we are seeing the positive numbers continue to rise in Outagamie County (and our surrounding counties). We cannot emphasize it enough to let you know that It takes everyone in our community to keep each other safe and our schools open.

Again, the following guidelines will help prevent further spread of illness at our school:

- Notify the school if your child is diagnosed with COVID-19.
- Notify the school if your child had contact with someone who you know was diagnosed with COVID-19.
- **Please, keep students home from school if they are sick.**
- Should your child be tested, make sure to have them remain home until test results are known. If there are other children in the house, they would also need to stay home until the test results are finalized. If a parent (or anyone in your house) is awaiting test results, all members of the household also need to remain home until test results are finalized.
- Encourage good habits: frequent handwashing, covering coughs and sneezes, use of face coverings in. public, and staying home as much as possible.

Please call Amie Kazik, District Nurse, at (920) 788-7944 should you have any questions.

Respectfully,

Kevin Kilstofte
FASD - District Administrator
