Principal's Corner

It is hard to believe this is our December newsletter. Please remember to take a few minutes to locate your child's winter gear including: jackets, gloves/mittens, and hats. You may want to locate or/buy snow pants and boots which are needed to address the outdoor elements over the next few months. Please take a moment to enjoy the energy and excitement that comes along with the hectic month of December. Please review the school calendar that is attached. We have several activities and special days listed throughout December.

Reminder from F.H.S.

The High School is asking us to remind parents that your child should be with you watching sporting events at any of the Freedom Schools and at area schools. Our students should be displaying their "Irish Best" at these events. It is appreciated if you can help remind them that they should not be running around the building, lobbies, behind the bleachers, or not to walk in front of the scorer's table. Also, remind them that we remove our hats and stand quietly for the playing/singing of the National Anthem. Freedom takes PRIDE in our students picking up after themselves no matter where they attend an event. But most importantly, enjoy the game/match as a family! **Go Irish!**

Mrs. Lipsey and Mrs. Schmelzter read to the students for National Young Reader's Week.

Cold Weather/Blackboard Connect 5 Call Out

Dress for the weather! Outside activity and fresh air are vital to the health of our children. Students will be going outside for all recess times. Students need to be reminded to wear the warm clothing parents send with them. For **School Cancellations** listen to the television or radio stations listed on **page 7** of the **Student Handbook**. Please do not call the school office, listen to your TV.

Blackboard Connect 5 Call Out will notify you of school delays or cancellations due to inclement weather, attendance, and emergency situations. School cancellations will be listed on all local TV stations. Please make sure your information is current.

Ms. Hastie's R.T.I. class with Mrs. Touchet studied Australia. Along with learning about the geography of the country, they also sang several Australian folk songs. This unit culminated with each student creating and playing their own traditional didgeridoo musical instruments.
